## Location - NN5 7PP

Northampton is an established industrial and logistics location strategically located on the M1 motorway in the heart of the “Golden Triangle”. Northampton is situated 66 miles north west of London and 55 miles south east of Birmingham. The town has excellent road communications with Junctions 15, 15A and 16 of the M1 motorway all within 5 miles of the town centre. The A45 dual carriageway runs to the south of the town, providing a fast link between the M1 (J15) and the A14 at Thrapston.

## Description:

The property comprises of steel portal frame construction with external elevations of facing brick and cladding above. Loading is via two ground level roller shutters and three dock level access doors. Internally the warehouse area is fitted with lighting throughout. Office/ancillary accommodation is located at the front of the building, providing a combination of open plan and cellular accommodation. The first floor office is currently stripped out to a shell, but this could be used for storage or additional office accommodation. Externally there is a large fenced service yard. The building is suitable for industrial and trade uses.
